

REMARKS

Applicants elect the species with particulars to the track format/layout having particular height requirements in claims 1 to 4 and 16-22.

✓ Applicant would like to thank the Examiner for the telephone interview granted concerning this application. The only issue was exactly what species were presented for election and the Examiner confirmed that the species were claims 1-4 and 16-22 OR claims 5-15, i.e., the "species" were groups of claims.

Respectfully submitted,
